

At the Düsseldorf Graduate School of Economics (DGSE) and the Düsseldorf Institute for Competition Economics (DICE) at Heinrich Heine University Düsseldorf a position as a

Researcher in Industrial Organization, Behavioural Economics, Experimental Economics, International Economics or Econometrics

(75,00 %, pay grade 13 TV-L)

is to be occupied from 1 October 2024. The employment is initially limited for a period of 3 years with an option for prolongation by an additional year if the applicant completes the targets agreed upon with their supervisor during the hiring process. It is a qualification position in the sense of the Act of Academic Fixed-Term Contract (Wissenschaftsvertragsgesetz – WissZeitVG), which is to promote the scientific qualification of the employee. The qualification target of this position is a PhD.

The DGSE's specific focus on Competition Economics and Regulatory Issues in research and teaching and the close links of DICE to competition policy practice provide an excellent platform for the education of doctoral students. Besides Competition Economics and Policy, we supervise other research topics in Applied Microeconomics, such as Behavioural Economics, Experimental Economics, International Economics and Econometrics. Doctoral students participate in courses and seminars which focus on the topics of the Graduate Programme.

Your tasks:

- research and teaching in the area of Industrial Organization, Behavioural Economics, Experimental Economics, International Economics or Econometrics

Our requirements:

- a completed scientific university education (M.Sc. / M.A. / Diploma / Magister) in Economics or in a related quantitative-mathematical discipline with outstanding grades
- talented and motivated applicants with a strong interest in Industrial Organization, Behavioural Economics, Experimental Economics, International Economics or Econometrics
- very good knowledge of theoretical and empirical economic methods and an excellent command of the English language

The pay scale grouping will be, depending on the personal qualification of the applicant, up to pay grade 13 TV-L.

Heinrich Heine University Düsseldorf aims at increasing the percentage of employed women. Applications from women will therefore be given preference in cases of equal aptitude, ability and professional achievements unless there are exceptional reasons for choosing another applicant. Applications from suitably qualified severely disabled persons or disabled persons regarded as being of equal status according to Book IX of the German Social Code (SGB – Soziales Gesetzbuch) are encouraged.
